Percentage of males: 37.5%

Percentage of females: 62.5%

Identified as member of major racial or ethnic group: 2 students

Vaccinations

RRC currently has no policy regarding vaccinations. When regulations are published, we will update this document.

Annual Informational Distributions, Including the Student Handbook

At the beginning of each academic year, RRC distributes information on a number of subjects to students. This includes information that the College is required by the government to distribute as well as information that is of importance to students. Keeping in mind RRC's commitment to a greener environment, the documents are now available in electronic format at our intranet site.
